ORDER REMANDING CASE

Before:
RICHARD J. DASCHBACH, Chief Judge
PATRICIA HOWARD FITZGERALD, Judge
ALEC J. KOROMILAS, Alternate Judge

On October 17, 2012 appellant sought appeal from a decision of the Office of Workers' Compensation Programs (OWCP) dated April 20, 2012. The Board assigned Docket No. 13-131.

The Board, having duly considered the matter, notes that its jurisdiction is limited to the review of final adverse OWCP decisions issued under the Federal Employees' Compensation Act (FECA).¹ The case record as transmitted to the Board does not contain the final adverse decision of OWCP, which is the subject of this appeal. The Board notes that the case record does contain a fiscal record, dated April 12, 2012, which shows payment of a net schedule award for bilateral lower extremity impairment of \$11,940.48. However, as the record does not contain the actual final decision regarding this schedule award, the Board is unable to review the award and verify that the complete record has been made available to the Board. Accordingly,

¹ 5 U.S.C. § 8149; 20 C.F.R. §§ 501.2(c) and 501.3(a).

IT IS HEREBY ORDERED THAT the appeal docketed as No. 13-131 is remanded to OWCP for reconstruction of the record, to be followed by an appropriate decision.
